

The background of the slide features a photograph of the Cenotaph in Ottawa, Canada, under a blue sky with white clouds. The Cenotaph is a large, white, cylindrical monument with a bronze statue of a soldier on top. The logo for 'The/Le Centre' is positioned in the upper left corner. The word 'The/Le' is in a smaller, grey, serif font, and 'Centre' is in a large, bold, red, italicized serif font with a black underline.

The DND-VAC Centre Mission Statement

To ensure the provision of information and support services to all military members and Veterans who were injured, medically released or became ill while serving, and their families

Casualty Support Units

- High op tempo has placed significant pressure on existing casualty support resources
- Resources and methods of casualty support and management differs across and within environments, across bases, wings and formations
- Current systems are complex, “stovepiped”, inefficient
- Too many local solutions to a CF-wide problem

Casualty Support Units

- Standardized, consistent service and delivery across CF
- Casualty support and management
- Support to family
- Team approach
- Responsible to CMP, responsive to local commanders

Transition Support Programs & Services

- Vocational Rehabilitation Program for Serving Members (VRPSM)
- OPI Service Personnel Holding List (SPHL) policy
- Priority Hiring

Transition Support Programs & Services

- Transition Assistance Program (TAP)
- Facilitation of transfer of Security Clearance to Public Works and Government Services Canada(PWGS&C)

CF Return to Work Program

- Retention program
- Disparity
- Strengthening of program delivery
